

5th International Course

Establishing & Providing Light Microscopy Core Facility Services

03/06/2019

CEITEC BUT, Purkyňova 123,
Brno, Czech Republic

— SCIENTIFIC ORGANISERS

Yan Gu and Daniel Zicha

This course is designed to help people who intend to improve some aspects of their existing services as well as people who plan to work in or to run a light microscopy facility and do not have any experience. The course will be presented by experienced speakers covering a range of important topics, such as support for special imaging techniques, organisation, funding, data management, choice and development of imaging technology. Generous time will be given to discussions.

— SPEAKERS

Yan Gu / University of Sussex, UK

Jan Peychl / The Max Planck Institute of Molecular Cell Biology and Genetics, Dresden, Germany

Klaus Qvortrup / Department of Biomedical Sciences, University of Copenhagen, Denmark

Stefanie Reichelt / Light Microscopy, CRUK Cambridge Institute, UK

Milan Ešner / CEITEC - Masaryk University, Czech Republic

Daniel Zicha / CEITEC – Brno University of Technology, Czech Republic

REGISTRATION 150 €
